**CAPABLE KINDERGARTNERS 2012**  
**Developing fine and visual motor skills**

A small occupational therapy group program for children who will be kindergarten age in the fall. The focus will be on developing visual-perceptual, fine motor and visual-motor skills. A variety of play, drawing and craft activities will be used to develop children's skills. Appropriate classroom behavior and social skills will also be addressed. It will be led by an occupational therapist with the assistance of a graduate OT student.

- Goals include:**
1. Establishing appropriate pencil grip & improving hand/finger strength.
  2. Improving drawing, coloring, and cutting skills.
  3. Improving visual-perceptual skills.
  4. Encouraging interest in fine and visual motor activities.
  5. Developing correct letter formation.
  6. Developing sensorimotor foundations.
  7. Encouraging appropriate classroom behavior.

**When:** June 18- August 16. Two-week sessions. *Participation in two sessions is strongly recommended.*

**Days:** Monday thru Thursday. (4 days) **Time:** 1:00-3:00

**Cost:** \$595 per session (less than \$40/hour!)
